

## **Face Forward Products By Dr Owsley:**

### **Cleanse, Exfoliate, and Tone**

#### ***Conditioning Make-up Remover***

Hyaluronic acid and antioxidant Vitamin E based formula works to gently remove make-up from eyes and face while simultaneously conditioning eyebrows, eyelids, lashes, and face. Continued use leads to remarkable improvement in the texture and hydration of the skin.

#### ***Chamomile Facial Cleanser***

Non-soap based, non comedogenic moisture wash combines anti-oxidants, chamomile extracts and algae peptides to gently remove impurities, hydrate skin, and help reduce the appearance of fine lines and surface dryness.

#### ***Lavender Creamy Cleanser***

Non-foaming botanical vitamin wash uses vitamin E, lavender and aloe to gently remove make-up and impurities from the face and replenish moisture and calm the skin. Ideal for dry, sensitive sunburned or laser treated skin.

#### ***Salicylic Face and Body wash***

Exfoliating cleanser contains 2% salicylic acid to wash away skin cell debris, refine and minimize the appearance of pores, calm and clear acne and fight signs of aging. Ideal for sensitive, flakey and acne prone skin.

#### ***Dual Acton Toner***

Soothing toner adds chamomile extract to salicylic-glycolic formula to penetrate pores and dissolve oil and debris inside and clear away dead skin cells outside. Continued use results in the appearance of smoother skin and smaller pores. Effective for all skin types, especially acne prone and sensitive skin.

#### ***Mico-buff crème***

Gentle, non irritating microdermabrasion formula combines skin-brightening aluminum oxide crystals and red algae extract to buff and refine skin to reveal a glowing smooth surface. Ideal for clearing acne breakouts, diminishing fine lines, and reducing the appearance of hyperpigmentation.

#### ***Glycolic Gel***

Gentle, low ph cellular micro exfoliation uses 10% pure glycolic acid, algae peptides and botanicals to promote collagen formation, super-hydrate the skin, smooth skin creases and increase cell renewal. Continued use improves the look of fine lines and wrinkles, lightens uneven pigmentation and brightens skin's clarity and tone.

## **Eye, Lip, and Spot Treatment**

### ***Ultra Firming Eye***

Silky, firming lotion is formulated with active botanical peptides and marine algae extracts to boost collagen production, minimize dark circles, reduce eye puffiness, and smooth and firm surrounding skin. Continued use dramatically reduces signs of stress and environmental aging to reveal a tighter, more even eye contour.

### ***Marine Lip Plump***

Enriched antioxidant base lip therapy contains green tea extract and algae peptides to boost collagen production and to smooth and soften lips. Continued use creates dramatically increases lip hydration and creates softer, fuller, more youthful looking lips with less visible lines around the mouth.

### ***Hyaluronic Eye Treatment***

Moisture replenishing eye contour combines hyaluronic acid and glycerin to deliver a surge of hydration to minimize the appearance of fine lines and dark circles by plumping the skin. Daily use leads to a softer, smoother more youthful eye appearance.

### ***Acne Spot Treatment***

Therapeutic clearing formula uses 2% salicylic acid, camphor, and witch hazel to provide quick relief for acne spots by calming and clearing pimples. Ideal for reducing tenderness associated with acne breakouts and facilitating a rapid healing process.

## **Hydrate and Protect**

### ***Lipid Drops***

Moisturizing serum combines sphingolipids and ceramides to increase skin hydration and decrease the appearance of fine lines. Continued use leads to baby soft, smooth textured skin with less visible fine lines.

### ***Oil-Free Moisturizer***

Ultra sheer lotion contains hyaluronic acid, vitamin E and antioxidant retinyl palmitate to hydrate the skin without clogging pores. Ideal for acne-prone skin and post laser/post peel or microdermabrasion.

### ***Enriched Moisture Crème***

Luxuriously textured cream uses antioxidants and peptides to intensely moisturize and replenish facial skin. Daily use produces a face with a healthier and more rejuvenated appearance.

### ***Factor Q***

Collagen restructuring moisturizer contains a botanical protein factor proven in the laboratory to enhance collagen synthesis. Continued use reduces the tendency of skin to develop lines and creates firmer skin.

### ***Replenishing Sunblock spf 36***

Lightweight, moisturizing sunscreen combines micronized zinc oxide and exclusive botanicals to help prevent breakdown of collagen and elastin caused by damaging UVA/UVB sunrays. Formulated for all skin types and ideal for daily wear to moisturize and protect skin.

### ***Tinted Moisturizer spf 15***

Lightly textured, tinted sunscreen uses titanium dioxide, hyaluronic acid and vitamins A & E to prevent skin cancer and premature signs of aging. Daily use provides broad protection against UVA/UVB rays and gives skin a healthy glow.

### **Anti-Aging**

#### ***Vita C Peptide Spray***

Refreshing spray uses energizing botanicals and vitamin c to protect skin against photoaging and to hydrate and renew skin. Ideal for all skin types and can be used under moisturizer or sunscreen to boost its ability to defend against UVA/UVB sunrays.

#### ***Vitamin C Crème***

Anti-aging, antioxidant cream uses L-Ascorbic acid and cyclomethicone to protect skin against daily environmental stress. Continued use leaves skin silky smooth and even with a bright, youthful glow. Ideal for rosacea-prone skin.

#### ***Ultra Firming Marine***

Anti-aging, antioxidant cream uses marine algae peptides, glycolic acid and Indian gooseberry extract to boost the skin's immune system to help prevent the breakdown of collagen and elastin. Continued use leads to firmer, rejuvenated skin with decreased appearance of fine lines and wrinkles.

#### ***Multi-Complex Night Crème***

Super-enriched, rejuvenating overnight therapy is formulated with retinol, copper enzymes, lipoic acid and CoQ10 to nourish and smooth skin and decrease and reverse signs of aging. Continued use improves skin tone and elasticity to give skin a more vital and youthful appearance.

#### ***O2 Lift Mask***

Revitalizing treatment is formulated with glycerin and a botanical oxygen activator to intensely hydrate, lift and plump skin. Daily use produces dramatic visible results of firmer, youthful, more radiating skin.

***AHA Fade Lotion***

Skin brightening formula combines 15% glycolic acid, 2% hydroquinone and hawaiian algae peptides to fade the appearance of uneven pigmentation and rejuvenate skin. Continued use results in even-toned skin with a healthy glow.

***Retinol Drops***

Silky-smooth, refining serum uses 0.3% retinol and moisture boosting sphingolipids and cyclomethicone to effectively improve acne breakouts, smooth skin texture and lines and fade age spots and uneven skin pigmentation. Continued use decreases frequency of acne breakouts and results in more even looking, youthful skin.
